## DUNDULLIMAL HOMESTEAD

\$95 per person

A visit to the National Trust's Dundullimal is a special experience which allows visitors to step back into rural life in the early colony. Set on 4 tranquil hectares, see the remarkably sophisticated homestead. By contrast the sandstone stables complex includes a blacksmith's forge, coach room, sunken cool room, stores and stables. These buildings reflect rural life during the nineteenth century.

Entry fee is included.  
Check at time of booking for opening hours.
